Excess Audio-Visual Equipment from Golden Valley City Council Chambers
Best bid takes all.
Sale closes 4 pm December 30, 2010.

Items: More than 70 pieces of audio-visual equipment from Golden Valley's City Council Chambers and Cable Control Room available as a result of a complete system upgrade. List includes sound system (microphones, amps, mixers, etc), presentation system (remote-controlled camera units, controller, switchers, converters, video monitors, etc), video recorders and editors, patch bays, cables, racks, and manuals. Equipment was used to record and broadcast City meetings.

Terms: Equipment sold as one unit—winning bidder takes all. Equipment is sold "as-is" with no warranties with regard to functionality or defect.
