

GOLDEN VALLEY POLICE DEPARTMENT

# 2012 ANNUAL REPORT

# GOLDEN VALLEY POLICE DEPARTMENT

---

## **Mission**

In collaboration with the community we serve, members of the Golden Valley Police Department take pride in delivering timely, impartial and professional police services, while reducing crime through prevention education, community outreach and criminal justice partnerships.

---

## **Values**

Valley Values are the things Golden Valley employees do, put into phrases that are easy to remember when anyone asks, or when we wonder what's important. Six core values, called Valley Values, provide the City of Golden Valley and its employees with the well-being of shared meaning and purpose:

Customer Focus

Open Communication

Positive Attitude

Know How

Teamwork

Work/Life Balance

*Dear Citizens:*

Another year is in the books, and 2012 proved to be both challenging and rewarding for the Golden Valley Police Department. The challenges came from an increase in residential burglaries, along with an overall increase in Part 1 (serious felonies) crime compared to 2011. Some of the rewards came from the apprehension of several separate burglars caught during in-progress burglaries. Several of these burglars were apprehended because alert neighbors called 911 after seeing suspicious activity in their area. Since 2011 saw record low crime rates, some increase in crime was inevitable in 2012, but our staff continues to strive to keep those numbers low and maintain the safety of our wonderful community.

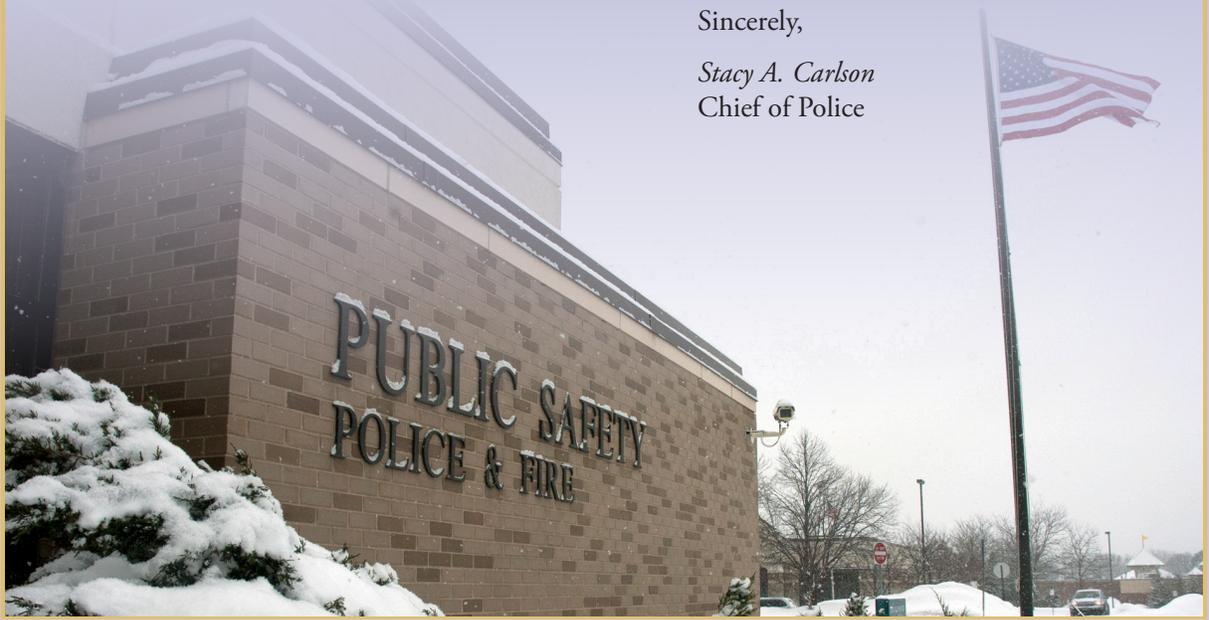

Community partnerships have never been more important, and outreach remains one of our top priorities. Again this year, we hosted a Citizen's Academy, Bike Rodeo, Public Safety Open House, Police and Fire in the Parks, Community Bike-Along, Night to Unite, Neighborhood Watch meetings, and the Crime-Free Multi-Housing program, just to name a few. It is always a delight to meet community members at these events—it certainly reinforces what a great group of residents we have in Golden Valley, as well as reminds us we have more commonalities than differences.

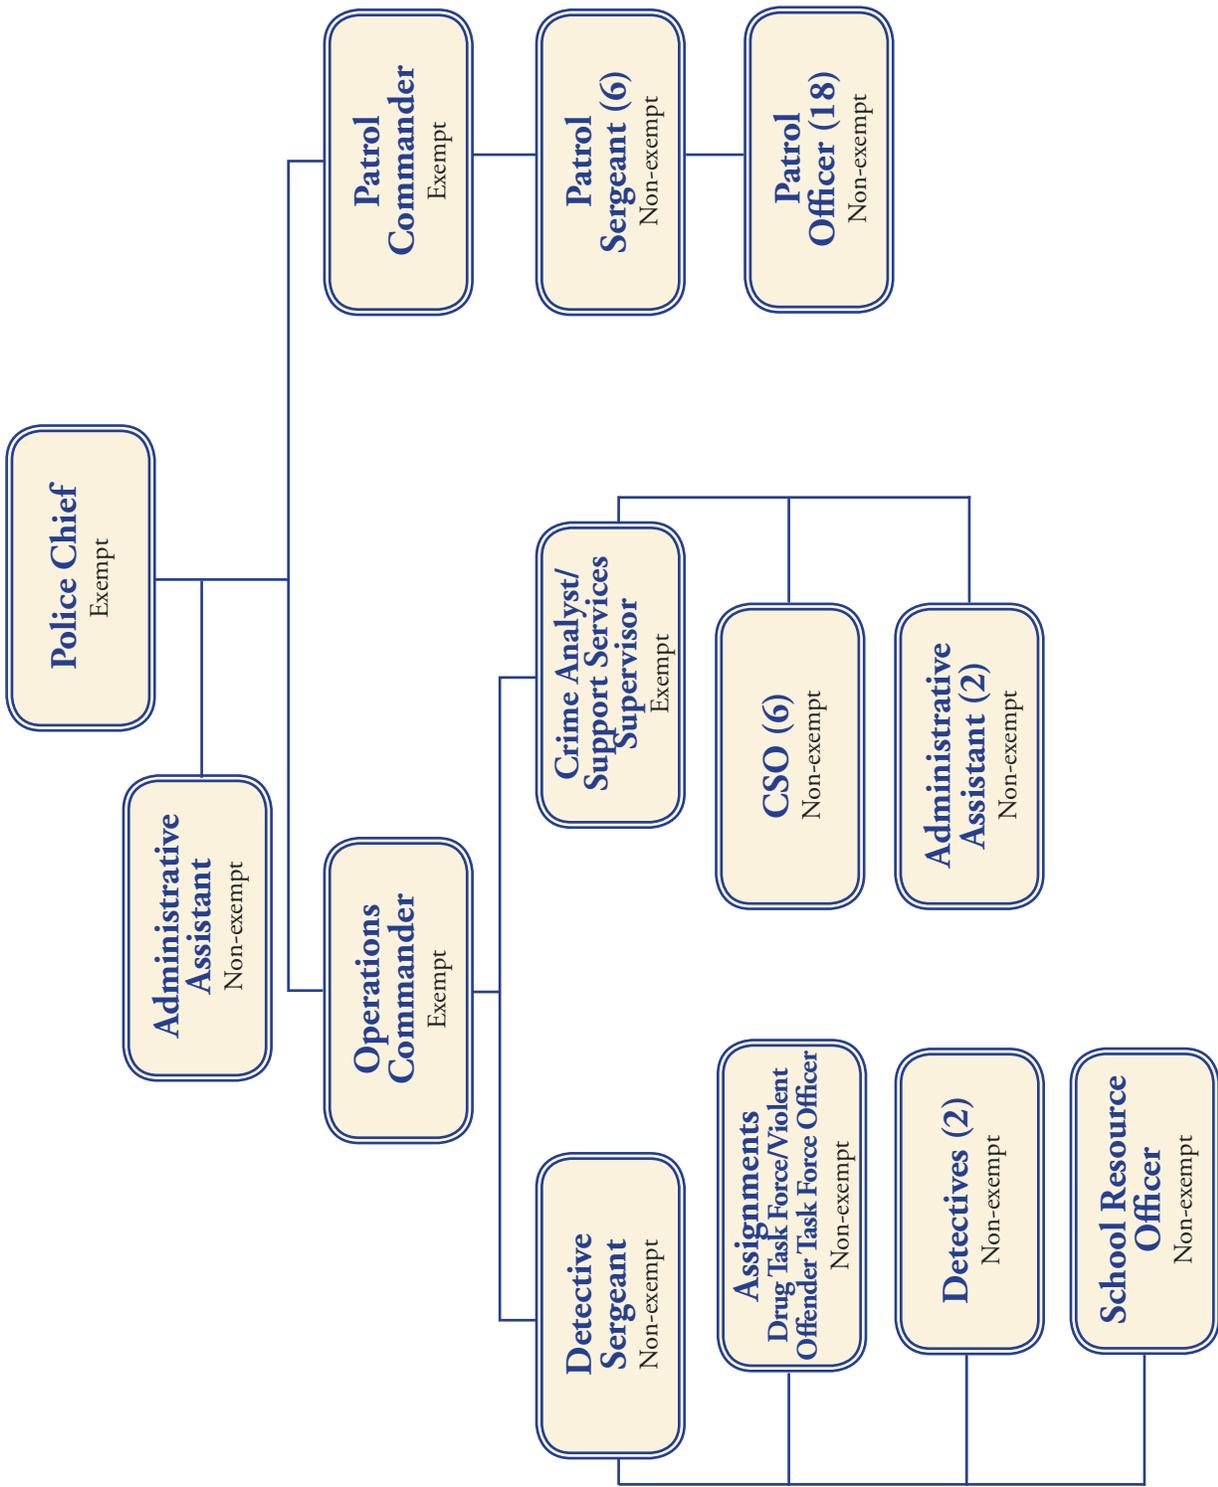

Last year marked the first time in Golden Valley history a sitting United States President visited our city. On June 1, 2012, President Obama toured the Honeywell facility for several hours. To accommodate his visit, the Golden Valley Police Department was tasked with staffing security for both the Honeywell premises and the motorcade route. Through the work of all employees and an additional 40+ law enforcement personnel and reserve officers from other agencies, the Presidential visit came and went through our city seamlessly, to the delight of hundreds of residents gathered on the nearby streets waiting to catch a glimpse of the passing motorcade.

We hope you will take advantage of one of our many public education courses or crime prevention programs. We would love to work with you as you enjoy all the City of Golden Valley has to offer. The door is always open for any questions, concerns, compliments, or suggestions you may have. Thanks for your help in 2012!

Sincerely,

*Stacy A. Carlson*  
Chief of Police

# PROFILE OF POLICE OPERATIONS

The Golden Valley Police Department (GVPD) is comprised of several functions that work together to provide quality customer service, including 911 response, investigations, and crime prevention. The organizational chart on page 2 illustrates how the department is structured.

## Chief of Police

The Chief of Police is responsible for creating an organizational structure most conducive to maximizing resources for effective and excellent delivery of police services to the Golden Valley community. The Chief must also ensure and maintain a work environment for employees that fosters professional growth, career opportunities, and mentoring.

## Patrol Division

The largest function of the GVPD is assigned to the Patrol Division, which is responsible for handling all 911 and non-emergency calls for police service. Officers respond to all reports of crime and possible crime, medical situations, and reports of animals at large or injured.

## Investigations Division

The Investigations Division reviews all police reports of criminal incidents, and the cases are assigned based on solvability and investigator workload capacity. The Investigations Division includes an officer assigned to the Northwest Metro Drug Task Force (a collaborative narcotics investigation group staffed by officers from Golden Valley, Plymouth, Robbinsdale, Crystal, New Hope, and Brooklyn Center) and an officer assigned to the Hennepin County Violent Offender Task Force. After the closing of Sandburg Middle School at the end of the 2009 school year, the Robbinsdale School District moved other programs into the building. Starting with the 2012-2013 school year, an officer spends two hours per school day in the building ensuring safety among students and participants. The school district reimburses the City for these hours.

## Crime Prevention Unit

The Crime Prevention Unit coordinates a multitude of community and neighborhood meetings; special events such as Minnesota Night to Unite, the Bike Rodeo, and the Public Safety Open House; and public education courses offered on a number of safety and crime topics. This unit conducts regular crime analysis and crime mapping and issues crime alerts relating to crime patterns or specific criminal actions. It also conducts home safety checks and inspects child car seats for proper installation. This year the third Citizen's Academy was held for citizens interested in finding out about the work, equipment, training, and procedures of Golden Valley police officers.

## Support Staff

Support staff serves a critical role in daily police operations, handling all data entry of police reports, documents, and statements as well as data practices requests for police reports. Staff members also answer all non-emergency phone calls, assist with calls involving animals, handle walk-up requests in the building lobby, schedule appointments for fingerprinting requests, and assist officers with administrative issues. Through an agreement with Breck School, funding for a Community Service Officer is provided in exchange for daily traffic control near the school twice per school day.

# DEPARTMENT PRODUCTIVITY

A call for service includes any police response to a 911 call, a non-emergency call that requires a police response, a traffic stop, any criminal activity spontaneously witnessed by an officer on patrol, any self-initiated officer activity, assistance provided to another agency, any walk-in request at the police station that requires officer involvement, or any incident for which an officer is flagged down for help by an individual. Some factors that can affect the number of calls for service include an increase or decrease in the crime rate, or a public campaign encouraging residents to call 911 when they see something suspicious in the interest of crime prevention.

The number of calls for service in 2012 are listed below (2011 and 2010 are listed for comparison purposes).

2012	2011	2010
19,782	17,971	19,166

Of all the calls for service during 2012 (generated either by a 911 call or self-initiated by an officer), the four most frequent call types were traffic stops, medical emergencies, alarms (residential or business), and suspicious activity/vehicle/person. These were the same most frequent calls for service for 2009, 2010, and 2011 as well. Friday was the busiest day of the week for calls for service, followed by Thursday and Monday. The top three hours for calls were 9 am, 2 pm, and 10 pm.

# REPORTED CRIME

When looking further into total calls for service, events that are not crimes can be culled to reveal a better understanding of total crime. The figures below represent only the number of actual crimes reported from the total number of calls for service for the year (all misdemeanors, gross misdemeanors, and felonies combined).

2012	2011	2010
3,332	2,678	3,162

# CRIME BY CATEGORY

Crime is categorized by level of seriousness and by the elements of the criminal action. The lowest level of crimes are misdemeanors, the next most serious are gross misdemeanors, and the most serious are felonies. Further, the FBI collects monthly, quarterly, and annually reported crime from cities across the nation for general public safety, crime trending, and comparative purposes. The eight most serious felonies are the crimes of murder, rape, robbery, assault, burglary, theft, arson, and vehicle theft. The FBI calls these "Part 1" crimes. All other less serious crimes are categorized as "Part 2" crimes. The totals for the Part 1 crimes in Golden Valley are listed below, along with a breakout of crimes by category.

## Part 1 Crime Totals

2012	2011	2010
575	496	527

## Part 1 Crime By Category

Aggravated Assault	Arson	Burglary	Rape	Robbery	Theft	Auto Theft
10	4	106 (75 residential, 31 business)	5	9	417 (93 shoplifting, 94 from vehicle, 230 other)	24

## Part 2 Crime Totals

2012	2011	2010
1,559	1,479	1,610

# ARRESTS

During 2012 Golden Valley police officers made 1,413 arrests, a decrease of 16 percent from 2011. Those arrests break down by crime level as follows:

Felony	Gross Misdemeanor	Misdemeanor	Petty Misdemeanor
131 arrests	133 arrests	1,081 arrests	68 arrests

For more than 20 years Golden Valley has been represented by prosecutors Frank Rondoni and Mark Schneider of the Chestnut Cambonne law firm. While officers work hard to develop strong cases and arrests, those are ultimately only as effective as the prosecution that follows. The Golden Valley City Attorneys work diligently to pursue prosecution against suspects in driving and criminal cases and ensure those perpetrating crimes in our community or on our roadways are brought to justice. We are very fortunate to have such a talented and committed legal team working toward the livability and safety interests of Golden Valley.

# RESPONSE TO CALLS

Golden Valley police officers pride themselves on providing a prompt and professional response to calls for service. To that end, the GVPD staffs officers at a level assessed to be appropriate to respond to emergency calls within law enforcement average response time standards. When a 911 call comes into the dispatch center, it is categorized as either a Priority 1, 2, or 3—the priority level is determined by the nature of the crime or actions described in the 911 call. For instance, a car accident with known or possible injuries or a burglary in progress will be categorized as a Priority 1 call—those deemed most in need of an immediate police presence. Other 911 calls with a less serious nature will get coded as a Priority 2 or 3, again depending on the circumstances of the incident. A call describing an individual begging for money would be coded as a Priority 2, while a call to report a barking dog or to report a crime that happened several days ago would be a Priority 3. GVPD response times for 2010–2012 are categorized below.

### Priority 1

2012	2011	2010
3 minutes	4 minutes	5 minutes

### Priority 2

2012	2011	2010
4 minutes	7 minutes	6 minutes

### Priority 3

2012	2011	2010
4 minutes	8 minutes*	5 minutes

*\*The Edina dispatch system does not calculate our Priority 3 call times in the same manner as our previous system, thus this figure is an estimate, as it is not possible to compare identically with our older data.*

# TRAFFIC ENFORCEMENT

The GVPD places high value on maintaining the safety of our roads and highways, and strong emphasis on traffic enforcement and driver education is a main component of our Patrol operations. Educating the public about driver and pedestrian safety has proven to save lives. In 2012 Golden Valley officers made **6,666** traffic stops, issued **3,828** traffic citations, gave **1,991** warnings, were involved in **five** motor vehicle pursuits, and arrested **158** people for DWI (driving while intoxicated).

Of all the traffic citations issued to motorists in 2012 by Golden Valley Police Officers, the top three most frequently cited violations were speeding, no proof of insurance, and expired registration.

# MEDICAL ASSISTANCE

Golden Valley police officers are trained as first responders so as to provide intermediate medical assistance as part of their regular duties. Absent a full-time Fire Department, most suburbs follow this model in rendering medical assistance to citizens. During 2012 officers assisted **1,606** people in response to a request relating to a medical issue.

# COMMUNITY OUTREACH

Connecting with the community in a wide variety of ways is a high priority for the GVPD. Crime prevention, community meetings, education, and partnerships are part of the foundation of building a strong police/community relationship. The GVPD continually strives to increase collaboration with Golden Valley residents, business owners, and visitors.

## Neighborhood Watch

GVPD employees conduct monthly crime prevention meetings by geographic/neighborhood zones to offer safety tips to residents as well as present the latest crime statistics for the respective zone. Residents are encouraged to form or join a Neighborhood Watch group and work as a large team to keep their home and neighbors' homes safe by being observant and reporting any suspicious activity. These meetings serve as a forum for dialogue relating to public safety, City services, statute/ordinance elements, and resource availability. They also offer residents a chance to meet a number of police officers. In 2012 the GVPD conducted **five** Neighborhood Watch meetings throughout the city.

## Crime Free Multi-Housing Program

Golden Valley is home to a number of multi-housing units, and the GVPD conducts quarterly meetings with the managers and/or owners of apartment complexes. The purpose of this partnership is to build relationships and offer best practices for rental leases, background screenings, evictions, and nuisance tenants, among other issues. Golden Valley police officers also reach out to youth living in apartment complexes to foster police/youth relationships, encourage school attendance, and reward good school behavior. In 2012 the GVPD held **four** Apartment Manager/Owners group meetings.

## Crime Prevention Training For Businesses

There are numerous businesses in Golden Valley, and the GVPD holds training sessions for business owners and employees on topics such as premises safety, fraud and forgery, and common business crimes, to name a few. In 2012 the GVPD conducted **16** training sessions for area businesses.

## CounterAct

The GVPD pursues positive police/youth interactions through the CounterAct drug abuse prevention program. Officers taught roughly **100** fifth graders at Noble Elementary and Good Shepherd Elementary about the dangers of drug use and dealing with peer pressure to use drugs or alcohol. The six-session program culminates with a graduation ceremony, including skits developed by students depicting scenarios of drug/alcohol use and appropriate resistance techniques.

## Bike Rodeo

The annual Bike Rodeo is a collaborative effort with the cities of New Hope and Crystal. Participants interact with area police officers, receive bike safety tips, and get discounted bike helmet rates. About **467** area youth attended the 2012 event.

## Open House

Each June the Golden Valley Police and Fire Departments host an Open House and invite the public to tour the building facilities, watch a controlled fire burn, get inside police and fire vehicles, meet police officers and firefighters, and learn of many police and fire operations and programs.

## Ride-Along Program

The GVPD offers the public the opportunity to ride along with a police officer for part of a shift. This can be arranged in advance and provides a first-hand experience about what it is like to be a Golden Valley police officer.

## Bike Patrol & More

Throughout the warmer months officers pedaled their way through more than a hundred hours of bike patrol, which proved to be successful both from a bicycle safety enforcement standpoint and a youth outreach aspect. Police and Fire personnel coordinated many events in Golden Valley parks and apartment complexes, providing pizza and water relief on hot days courtesy of the Fire Department truck hoses. The connections made with area kids and parents proved to be invaluable in building positive police/youth relationships. For the third consecutive year the GVPD offered a bike-along with two officers that covered many points of interest in the city. About 20 residents participated.

## SPECIAL THANKS

---

The Golden Valley Police Department would like to thank the residents and business owners of Golden Valley for being partners in ensuring the public safety of Golden Valley. Our thanks and appreciation also go to the many private and corporate donors of our community initiatives, and to the countless volunteers who donate the gift of time to the City of Golden Valley. Lastly, thanks to the Hennepin County Sheriff's Office for crime lab and patrol services, the Minnesota State Patrol, and the Minneapolis, St Louis Park, Edina, Plymouth, Robbinsdale, Crystal, and New Hope Police Departments for assistance throughout the year.
