

Fee Assistance Application

The Golden Valley Parks and Recreation Department provides fee assistance for Golden Valley sponsored programs, classes, and events. The program is for Golden Valley residents only and has the following stipulations:

1. Households may receive a 50 percent fee reduction through the Golden Valley Fee Assistance program for recreation programs, classes, and events. In addition, all resident youth, ages 18 and under, may receive additional fee support from the Noah Joynes Youth Recreation Fund. Therefore, the remaining fee balance could be paid by Noah's Fund. No separate application is necessary to receive assistance from Noah's Fund. The Noah Joynes Youth Recreation Fund has been created by the Joynes family to support community youth participation in recreation activities to honor their son, Noah.
2. Fee assistance is available for an annual maximum of ten (10) programs per individual.
3. Fee assistance is not granted for adult sport leagues, adult trips, facility memberships, private lessons, regulation golf, and rentals. Programs/classes/events advertised through the Parks and Recreation Department offered by outside entities which accept registration independent of the Parks and Recreation Department are not eligible for fee assistance.
4. Program registrations are contingent upon class/program availability and registration deadlines.
5. Residents are required to apply annually. Approved applications are good for one year from application date.
6. All information provided will be treated confidentially and used only to determine fee assistance qualification.
7. Upon approval, registration will need to be completed online, in person, or by mail.
