How The City Of Golden Valley Works

Golden Valley is a Statutory “Plan B” city, with a part-time Mayor and City Council empowered by law to legislate city-wide policy and a full-time City Manager who serves as chief executive.

Plan B Statutory City
Golden Valley is one of 18 Plan B statutory cities in Minnesota and operates under a council-manager governing system. The City Council consists of an elected Mayor and four elected Council Members who all have an equal vote.

Although the City Council has legislative and policy-making authority, it appoints a City Manager to administer City matters and implement Council policies and directives.

For more information about Plan B cities, go to www.lmnc.org or in the Minnesota Statutes at www.revisor.mn.gov/statutes/?id=412.611.

Elected Officials
City Council elections are held in November in odd-numbered years. Residents elect a Mayor for a four-year term and four Council Members for staggered four-year terms. All Council members serve at large to represent the entire community, so residents may contact any one of them to express concerns and opinions. All elected offices are nonpartisan.

Appointed Officials
Advisory Boards and Commissions recommend policy to the City Council and advise the Council on a variety of diverse issues. They are staffed by citizen volunteers appointed by the Council and include the following:

• Board of Zoning Appeals hears requests for variances from the Zoning Code
• Civil Service Commission controls and supervises the employment, promotion, discharge, and suspension of Golden Valley Police officers
• Environmental Commission advises and makes recommendations to Council in matters relating to the environment
• Diversity, Equity, & Inclusion Commission (DEIC) advises, recommends, and assists Council in matters relating to diversity, equity, inclusion, and human rights
• Human Services Commission plans and holds fundraisers and events to help raise money to meet previously identified human service needs in the community and advises Council on allocation of funds
• Open Space and Recreation Commission advises, recommends, and assists Council in policies and plans relating to open space needs, parks and recreation programs, trail systems, and Brookview Golf Course
• Planning Commission advises, recommends, and assists Council in matters relating to planning and growth of the City, including issues relating to the social, economic, and physical environment. The Planning Commission recommends Council approval or denial of proposed land use changes, taking into consideration land use ordinances and the Comprehensive Plan.

Staff
The City Manager appoints a management team and staff to help carry out the policies and directives of the City Council and do the work in the City. This includes:

• safety, firefighting, and law enforcement
• taking care of the streets, parks, and water and sewer systems
• planning projects to maintain and improve streets, parks, and water and sewer systems
• making sure laws are followed so buildings are safe
• making sure land is used in the best and safest ways
• planning and running recreation programs
• handling finances, communications, elections, hiring, computer systems, licensing, and more
Staff takes pride in providing a high level of services to the community, most of which affect quality of life, such as a safe and reliable water supply and sewer system, safe and well-maintained streets, responsive police and fire protection, and clean, safe, and engaging parks and trails.

**Citizen Involvement**
The public is encouraged to attend all open meetings and can address the Council during public hearings and an open forum held before each Council meeting. Meetings are televised live on City Cable Channel 16 and replayed daily at 6:30 pm. Meetings are also webcast live and are available for replay on demand on the City website at www.goldenvalleymn.gov/council/meetings.php.

Golden Valley residents interested in becoming more active in city government are encouraged to apply for positions on the City’s Advisory Boards and Commissions at www.goldenvalleymn.gov/boards/index.php.

The City regularly solicits citizen input on various proposed projects and services through open house meetings, task forces, and public information campaigns. One example is the 2040 Comprehensive Plan.

Every 10 years, the City of Golden Valley updates the long-term vision for the community’s future to incorporate new census data, projections for population and employment growth, and community preferences. The 2040 Comprehensive Plan was crafted in 2016–2018 with the input of residents, businesses, and City Commissions. The City hosted a kick-off open house in September 2016 and solicited further citizen input through monthly community conversations centered on each segment of the Comprehensive Plan. Citizens were also invited to host their own Comp Plan In A Box group discussions as well as fill out comment cards online. For more information, go to www.goldenvalleymn.gov/planning/comprehensiveplanupdate/index.php.

**Contact Us**
Both elected officials and City staff are available to answer questions and hear citizen concerns in person or via phone call or email.

For detailed contact information (phone numbers and email addresses for Council and staff), go to www.goldenvalleymn.gov/council/members.php or www.goldenvalleymn.gov/contact.

   - 2nd Report—due by Oct 23, 2021 (10 days before General Election)

Regulations & Enforcement

Campaign sign placement is regulated by the City and the State. If a sign is in violation of City ordinance, the City will take enforcement action. The State takes enforcement action for violations of State law. For information on enforcement of Golden Valley ordinances, contact the City Planning Department at 763-593-8095 (leave a detailed message).

State Campaign Sign Regulation Advisory From The State of Minnesota Department of Transportation (April 30, 2018)

TO: CANDIDATES FOR PUBLIC OFFICE

The Minnesota Department of Transportation reminds the public that placing signs, including campaign signs, along trunk highways is prohibited. State law (Minnesota Statutes, section 160.2715) prohibits the placement, painting, printing, or affixing of advertisements on any object within the limits of a trunk highway. This restriction includes driving lanes, inside and outside shoulders, ditches, and sight corners at intersections. The trunk highway system includes state, US, and interstate highways in Minnesota.

The Minnesota Outdoor Advertising Control Act (Minnesota Statutes, section 173.15), which applies to land next to trunk highway right of way, prohibits placing advertising devices on private land without consent of the owner or occupant; on trees, shrubs, or public utility poles; or by painting on rocks or other natural features.

These laws protect the safety of the traveling public and those who might place signs. They ensure Minnesota complies with federal highway beautification laws. Right-of-way is used for a variety of purposes, including providing a safe place for vehicles that leave travel lanes, snow storage, location for public utilities, draining excess water away from roads, vegetation growth for aesthetics and erosion control, and even pollinator habitat. Unauthorized signs and people stopping to place signs within the limits of the highway can compromise these functions.

County, city, and township employees administer applicable laws on roads under their jurisdiction. MnDOT is responsible for the trunk highway system. Please contact local Mn DOT offices for assistance when placing signs where trunk highway right of way cannot be clearly identified. Make sure those who place signs on your behalf know the law. Illegally placed signs will be removed by Mn DOT employees and temporarily stored; please contact local MnDOT offices (http://www.dot.state.mn.us/maintenance/district.html) promptly to retrieve signs that have been removed.

Thank you for your cooperation,

Charles A. Zelle

Regulations & Enforcement

City Campaign Sign Regulation
Golden Valley City Code, section 24-24, subd. D.

Corner Visibility
Visibility shall be maintained at all street intersections. No person shall erect, construct, plant, nurture or maintain any building, structure or vegetation, except low lying plants and grasses in the corner visibility zone without the appropriate right-of-way permit to do so. Existing trees, shrubs and grasses must be maintained to provide, as determined by the City Manager or his/her designee, clear lines of sight through the corner visibility zone. This clear line of sight is generally considered to be between 30 inches above the gutter line and eight feet above the gutter line. The corner visibility zone is considered that area between the edge of pavement of intersecting streets and a line adjoining points on such lines 45 feet distant from their point of intersection, or in the case of a rounded corner, point of intersection of the tangents at the end points of the curve.

Upon information that any person is in violation of this article, the City Manager or his/her designee shall give written notice to have the items restricting visibility removed. If after receiving written notice to remove the items restricting visibility, the person fails to remove the offending object within the time specified in the notice, not less than 10 days, the City Manager or his/her designee shall remove the offending objects with City forces. All costs associated with this removal shall be billed to the property owner responsible for the obstruction. If the bill is not paid within 30 days of the invoice date, the unpaid costs may be assessed against the property pursuant to Chapter 429, Minnesota Statutes.

State Campaign Sign Regulation
Minnesota State Statute, section 211B.045

Non-commercial Signs Exemption
All noncommercial signs of any size may be posted in any number beginning 46 days before the state primary in a state general election year until ten days following the state general election. Municipal ordinances may regulate the size or number of noncommercial signs at other times.

Instructions
This form is to be attached to the Affidavit of Candidacy when a candidate has checked the Private Data box.

The address of residence is classified as private data at the request of the candidate. The address of residence is used by the filing officer who received the affidavit of candidacy, upon written request of a registered voter, to determine whether the address of residence listed by the candidate is actually located in the area represented by the office sought, pursuant to Minnesota Statutes, section 204B.06, subd. 1b (b). While the candidate is not required to provide the address of residence, failure to provide the address of residence will result in an incomplete affidavit of candidacy and the rejection of the affidavit of candidacy, which will result in the omission of the candidate’s name from any ballot in the election for which the candidate attempts to file the affidavit of candidacy and pay the filing fee. This information will be available to the filing officer to whom the written request is delivered, to employees of that filing officer and to other elections officials with whom that filing officer consults in order to obtain information necessary to make the determination whether the address of residence listed by the candidate is actually located in the area represented by the office sought.
