All contracts require prepayment before trees or benches are ordered. For each donation, the City will send an acknowledgement letter to the donor.

TREES

Selection & Planting

- Donor, with approval and guidance of City staff, selects park and type of tree
- Tree size will conform to City standard for new tree plantings (2" caliper for deciduous trees or 6' tall for conifer trees)
- Contracted planting takes place once per year in the fall (September/October)
- Tree to be planted during business hours (7 am–3 pm, Monday–Friday)
- Tree guaranteed for survival for one year after installation date
- Plastic tree guard provided for deciduous trees (included in donation cost)
- No marker or signage allowed
- Costs incurred by donor: total purchase cost of tree, including shipping and tax
- Costs incurred by City: planting of tree (labor and equipment)
- Donor should water as much as possible

BENCHES

- Memorial bench style for all parks, trails, and nature areas is the DuMor metal (see description below)
- Installation to occur between June and October
- Donor, with approval and guidance of City staff, selects park
- City staff determines location of bench within selected park
- Costs incurred by donor: total bench purchase costs, including tax, shipment, and installation materials (ie, concrete)
- Costs incurred by City: installation of bench (labor and equipment)

Bench Description

The DuMor bench is a traditional garden-style favorite in an all-steel design featuring a graceful arched back inlaid with a 2" x 10" custom cast bronze plaque. The 6-foot-long bench is green and will be mounted onto a concrete slab. Please note this bench has a lifespan of approximately 15–20 years. When the bench needs to be replaced, a standard park bench will be installed.
