Human Services Commission

Article I: Purpose, Mission, and Duties
The Human Services Commission (the “Commission”) exists to study human service needs in the community and recommend action to the City Council regarding funding those needs. With these goals in mind, the Commission will:

- Identify the community’s needs for human services.
- Develop guidelines to evaluate funding requests and allocate funds to human service organizations that meet the identified needs of the community.
- Determine funds needed and strategies to provide funding through charitable gambling proceeds, fundraisers, or community events.
- Encourage and enlist participation from the greater Golden Valley community.

Article II: Membership, Appointments, Terms, and Officers

A. Membership
The Commission shall consist of seven regular members, and two business or community organization members, and one voting youth member. Regular members shall be qualified voters and residents of the City. Business or community members shall be a representative, in an official capacity, of a Golden Valley-based business. Youth members shall live or attend school within Golden Valley and enrolled in school grades nine through twelve. A vacancy shall be deemed to exist if a member ceases to meet the residency requirements.

B. Appointment and Terms
Appointments are made effective May 1 of each year. The Council shall appoint regular members and business/community organization members of the Commission for three-year staggering terms. Youth members shall be appointed for a one-year term. The terms of Commissioners shall be fixed and determined at the time of appointment by the governing ordinance.

Emphasis in appointments will be based on knowledge of human service needs in the community through participation in community organizations, experience and knowledge of fundraising, and evidence of personal commitment to the delivery of human service needs. Persons involved with agencies or groups that anticipate soliciting funds from the Commission should not seek appointment. The City Council shall appoint the members of the Commission and to fill vacancies for unexpired terms.

C. Officers
The Commission shall elect officers of Chair and Vice-Chair from the Commission membership by its voting members at its regular annual meeting, (no later than the second meeting after May 1 in each year). The Chair and Vice Chair positions rotate, and members may only serve two consecutive years as the Chair or Vice-Chair. Should the office of Chair or Vice-Chair become vacant, the Commission shall elect a successor from its membership at the next regular meeting and such election shall be for the unexpired term of said office. Officers may also delegate the duties of their position to other Commissioners as deemed appropriate by the Commission.

**Article III: Meetings and Attendance**

A. Meetings

All meetings of the Commission shall be conducted in accordance with the Minnesota Open Meeting Law and City code. This means all business and discussion occurs at a meeting which has been posted and is open to the public.

The presence of a majority of all regular voting members currently appointed to the Commission shall constitute a quorum for the purpose of conducting its business and exercising its powers and for all other purposes. In the event a quorum is not reached, a smaller number of members may meet to have informal discussion, however, formal action shall not be taken and must be reserved for such time as when a quorum of the Commission is reached. A quorum of the members should not discuss Commission business by email, forms of social media, telephone, or informal meetings. Commission meetings may be cancelled by the staff liaison if there are no items on the agenda for discussion.

The proceedings of meeting should be conducted using standard parliamentary procedure.

i. Regular Meeting

The regular meeting of the Commission shall be held on the second Monday of the month at Brookview at 7:00 pm. The Commission may, by a majority vote, change its regular meeting dates for any reason provided proper public notice of the changed meeting is provided.

ii. Annual Meeting

The Annual Meeting of the Commission shall be a regular meeting, typically the first meeting after May 1 of each year, at which time elections will be held.

iii. Special Meeting

A special meeting may be called by the Chair or whenever three members request the same in writing. Staff shall give notice to each board member, at least three days prior to any special meeting, of the time, place, and purpose of the meeting.

Amended and approved April 21, 2020
B. Attendance

Members are expected to attend all meetings, including the annual board and commission joint meeting. If a member is unable to attend a meeting, they should contact the staff liaison, who will inform the chair. If a quorum cannot be attained, the meeting will be canceled. Staff liaisons will track attendance at each meeting. Each April, the City Manager’s office will review attendance records for the preceding calendar year (April-March) and send a standardized letter of warning to any member that has missed:

- two consecutive or three total meetings for groups that meet once a month; or
- two consecutive or five total meetings for groups that meet twice a month.

Because attendance is so important to the work of the City’s boards and commissions, the City Manager may ask the member to explain the reasons for their absences. If circumstances prevent the member from committing to consistently attending future meetings, the member may be asked to step down. The City Manager will not ask the member to step down if their inability to attend meetings is due to health reasons. If the member’s attendance does not improve within 3 months after receiving a warning, the City Manager or their designee shall ask the member to step down. If the member chooses not to step down, the Council may take action to remove the member.

Article IV: Rules

A. Fundraising

The Commission will plan, organize, and participate in annual fundraising campaigns. All Commissioners are expected to participate in fundraising efforts on behalf of the Commission.

B. Agency Selection

Only agencies that meet the standards and criteria set by the Commission will be eligible for selection. All agency selections by the Commission are subject to approval by City Council.

Whenever administrative management, general costs, and fundraising costs exceed 15 percent, the Commission shall conduct a special review to determine the appropriateness of the particular circumstances which resulted in these costs exceeding 15 percent. If the Commission wishes to allocate funds to an organization after completing the special review, the Commission, together with the applicant, shall agree upon a strategy for reducing these costs within the following fiscal year.

To be considered, applicants must also submit the appropriate application materials by the established deadline.

C. Use of Funds & Minimum Fund Balance
   i. Minimum Fund Balance
      Each January, the City Finance Director shall calculate the annual minimum fund balance (the “Minimum Fund Balance”), which shall be equal to one and one-half times the actual operating expenses of the previous calendar year (January 1 through December 31). For purposes of this paragraph, operating expenses means all approved allocations and all Commission costs and expenses related to fundraising from the previous calendar year. Allocation recommendations shall be made so that the balance of the fund at the end of each year is greater than or equal to the annually adjusted Minimum Fund Balance.

   ii. Use of Funds
      The Commission may make allocation recommendations to the Council provided the following requirements are met:

   All allocation recommendations are subject to approval by the City Council.

D. Emergency Allocation Recommendations
   During a local emergency, the Commission may make emergency allocation recommendations to the City Council for consideration provided all of the following criteria have been met:
   • The City has declared a local emergency;
   • The recommended recipients meet all of the eligibility criteria in Article IV, paragraphs B(i) and (C) above;
   • The recommended recipients use the funds to provide services that are related to mitigating the effects of the local emergency; and
   • The Minimum Fund Balance requirements of Article IV, paragraph (C) above are or will be met by the end of the calendar year, or the Council has approved an exception to those requirements. The Council may only approve an exception to the Minimum Fund Balance requirements for
emergency allocations, and the Minimum Fund Balance must be restored no later than December 31 of the calendar year following the year in which the emergency allocation is made.

The Commission shall verify that these criteria have been met; however, because time is of the essence during local emergencies, the Commission may make recommendations pursuant to this paragraph without requiring agencies to submit application materials. Recommendations made pursuant to this paragraph shall be approved by the Council.

ii. Annual Allocation Report

By the last regular Council meeting of December each year the Commission shall comprise a report of fund allocation recommendations for the following calendar year.

iii. Special Reports

i. Performance of Duties

Commissioners are expected to adequately prepare for, and attend meetings. Commissioners unable to complete an assigned task should notify the Commission Chair as soon as possible.

The Commission may ask the City Council to review a Commissioner’s appointment based upon its assessment of significant non-performance of duties.

Article V: Amendments and Revisions

The Commission will review these bylaws no later than the second meeting after May 1 every three years. Members may present recommendations for changes and amendments. These bylaws can be altered or amended at any regular monthly Commission meeting with a majority of members present, provided that notice of the proposed changes and amendments is provided to each member at least ten business days before the meeting. The Council must review and approve any changes to, and has final authority regarding, these bylaws.
