—Dr Martin Luther King, Jr

## VALUES

**Grade Range:** Pre-K–Kindergarten, Grades 1–3, Grades 4–7, and 8–12

The MLK Human Rights Contest provides a path for children and youth to follow as they grow. This year, instead of selecting a quote, students are asked to submit a creative entry that represents one of Dr King's core values and how it relates to their lives and/or current social issues.

- **Courage:** being brave enough to do what's right, even when it's difficult or scary
- **Truth:** choosing honesty and living with integrity by acting and speaking in ways that reflect what is real
- **Justice:** making sure everyone is treated fairly and has the same opportunities

- **Compassion:** deeply caring about other people
- **Dignity:** respecting yourself and others because every person has value
- **Humility:** being thankful, not boastful, and willing to listen, learn, and give credit to others.
- **Service:** helping others without expecting anything in return
