**Interested in adding more housing
units to your property?
Let's talk!**

WHAT?

The City is studying methods and impacts of providing residential property owners more flexibility in how they can use their property — specifically the freedom to add more housing types through Missing Middle Housing.

Missing Middle Housing is a range of housing types and scales, from accessory dwelling unit and duplexes, to townhouses and small apartments. Missing Middle Housing could offer more housing choice, flexibility, and affordability into the City's housing marketplace.

WHY?

The City is studying methods and impacts of providing residential property owners more flexibility in how they can use their property — specifically the freedom to add more housing types through Missing Middle Housing.
