## Data Practices Advisory

The City of Golden Valley will use the data you supply in this application to assess your qualifications for a license and will become public data under the Minnesota Government Data Practices Act when received by the City of Golden Valley. This data is not legally required, but the City will not be able to grant the license without it. The City needs this data to distinguish this application from others, to identify this application in City license files, to verify the identity of the applicant, to contact the applicant if additional information is required, and to determine if the applicant meets all ordinance requirements.

Every Licensee shall promptly notify the Fire Inspector (763-593-8057) of any changes in the names, addresses and other information concerning the person(s) listed on the application **within 5 days of the change**. This license is NOT transferrable to another person or to another rental dwelling unit.

In the act of filing this application with the City of Golden Valley, the owner or agent of the rental dwelling unit(s) agrees to permit inspections. The minimum standard to be used for inspections can be found in City Code Chapter 16, Art. III.

**Department of Revenue Information form MUST be included with application for ALL NEW Rental Licenses.**
