

# REQUIREMENTS FOR REPLACEMENT OF A FURNACE OR BOILER

Submit the following with the permit application:

- heat loss calculations
- Heating Replacement Checklist
- Orsat Test Form

**Final Inspection:** The permit holder is responsible for receiving all inspections and providing all required documentation.

**Final Reinspection:** If corrections are needed after inspection, make the necessary corrections and schedule a reinspection.

If you have any questions regarding installation code requirements, or to schedule inspections, call 763-593-8090.

This document is available in alternate formats upon a 72-hour request. Please call 763-593-8006 (TTY: 763-593 3968) to make a request. Examples of alternate formats may include large print, electronic, Braille, audiocassette, etc.
