Required Attachments (Please check each box to indicate you have attached the following documents to the permit application.)

- Sketch illustrating where food truck will be located using Hennepin County Interactive Property Map (see City website instructions for details). If located in City right-of-way, sketch must include measurements to demonstrate that there is adequate space available.
- Hennepin County Mobile Food License
- *Insurance rider (required only for food trucks that will be located on City-owned property or public right-of-way) evidencing the applicant's public liability, food products liability, automobile liability, and property damage insurance and that the City is or will be named as an additional insured on such insurance for all the permitted days of operation. Such insurance shall be maintained without change for the duration of the permitted days of operation. The permit will not be processed without the proper insurance certificate.
